Hymns and Pimm's

Hymns and Pimm's – 23rd June 6.00 pm

Hymns and music are an integral part of church life. Through hymns we share our joy, reflect our sadness, boost our morale and express our prayers. Hymns stir deep emotions and can become especially meaningful. This Hymns and Pimm's evening is a celebration of our favourite hymns and the mid-summer evening.

We'll sing ten hymns as voted the most popular by the parish with a brief prayer. The "top ten" are likely to be well known and easy to sing, there will be a brief introduction to each one. Come along and re-live memories and sing some favourites.

After the service there will be Pimm's and nibbles in the churchyard, time to chat with friends about your musical loves, hates and reminisces.

Vote for your favourite four hymns by ballot in church, by e-mail to Peter Tottman pjtottman@outlook.com. A list of hymns to choose from is in the church or on the St Christopher's WhatsApp chat.
